ABOUT ME

Disciplined in terms of strict adherence to the rules set by the entrepreneur. Stress resistant. Reliable and self-organized, I respect the opinions of people and do not conflict. I may not be that experienced, but I am someone you will want to meet and work with. I take my job very seriously and can work both individually and in the team. I know how to organize and plan work on time and use every minute to my advantage. Have analytical skills, so quick and independent decision-making is my thing. Desire for professional development, self-improvement, professional growth and development helps me find myself in any circle. The ability to communicate with people of all ages and backgrounds provides me with quality relationships with colleagues. I love learning new things and expanding my horizons.

TARGET

Getting a permanent job in your company. To work honestly and conscientiously in accordance with the objectives of the company to achieve the set goals.
